

WELCOME TO THE PHILADELPHIA100® FORUM

Dear Philadelphia100® Forum Member,

We would like to take this opportunity to welcome you to the Philadelphia100® Forum. We are pleased that you have chosen our organization as a key resource for professional growth.

The Philadelphia100® Forum is a business community where membership provides meaningful connections and access to peer to peer learning for long-term impact. Our members include a network of fellow CEOs of growth companies, Philadelphia100® winners, and Goldman Sachs 10,000 Business graduates.

As a CEO Member, you have access to monthly programming that is specifically tailored to address the issues faced by CEOs achieving mid-market status. Led by industry and subject matter experts, you will have the opportunity to apply real-world knowledge and experience to evaluate and implement your growth goals. Two times a year, we host Member-Only Socials which provide our members the opportunity to deepen their connections with fellow members. You will receive Save the Date calendar invitations as placeholders for all upcoming events which are held the 2nd Tuesday of the month. For more information about our monthly programs, click here.

As a member, your engagement creates the value of your membership. We are excited to have you as a member of the Philadelphia100® Forum and look forward to seeing you at the events. If you know anyone who would be a good fit for our community, please inform our Membership Chairs.

Sincerely,
